Adoption Connection

www.adoptionconnection.com

The Adoption Connection, an Illinois not-for-profit service organization is an alternative to traditional adoption agencies. Working in the area of private adoption, it is the only service of its kind in the Chicagoland area. The Adoption Connection provides a wide range of consultation and educational services to those who seek assistance with an adoption plan.

Dedicated to helping women with unplanned pregnancies, its programs have as their primary objective the promotion of the best possible health for the birthmother and her newborn. Services include pre-natal and post-partum counseling\health education, legal and medical referrals, housing\transportation and maternity clothing as needed. All services are provided without charge to the birthparents.
