

The PULSE of Today's Cardiac Technology

LOYOLA ECHOCARDIOGRAPHY TECHS

Loyola University Health System (LUHS), located in the western suburbs of Chicago, is a nationally recognized leader in providing specialty and primary health care services to its patients. Our 70-acre campus is home to a 500+-bed teaching hospital, a Level 1 Trauma Center, a Burn Center, the Cardinal Bernardin Cancer Center, the Stritch School of Medicine, and the Ronald McDonald Children's Hospital. The cardiovascular services of Loyola University Health System have long been regarded as among the best in the country and, once again, LUHS has been named to U.S. News & World Report's "America's Best Hospitals" list.

A Few Reasons To Think Of Us First

- #1 in minimally invasive heart procedures in Illinois
- 1st to perform successful heart-lung transplant in Illinois
- 1 of the oldest and most active heart-transplant programs in the U.S.

Our Commitment To Your Future

- Educational Assistance at Loyola University Chicago for you and your family
- Free Life/Long-Term Disability Insurance
- Paid Vacation/Holiday/Personal/Sick/Bonus Days
- 3 Health & 2 Dental Plans
- Employer Funded Pension Plan
- Voluntary Matched Retirement Savings Plan 403(b)
- Credit Union
- On-campus Health & Fitness Center
- And So Much More

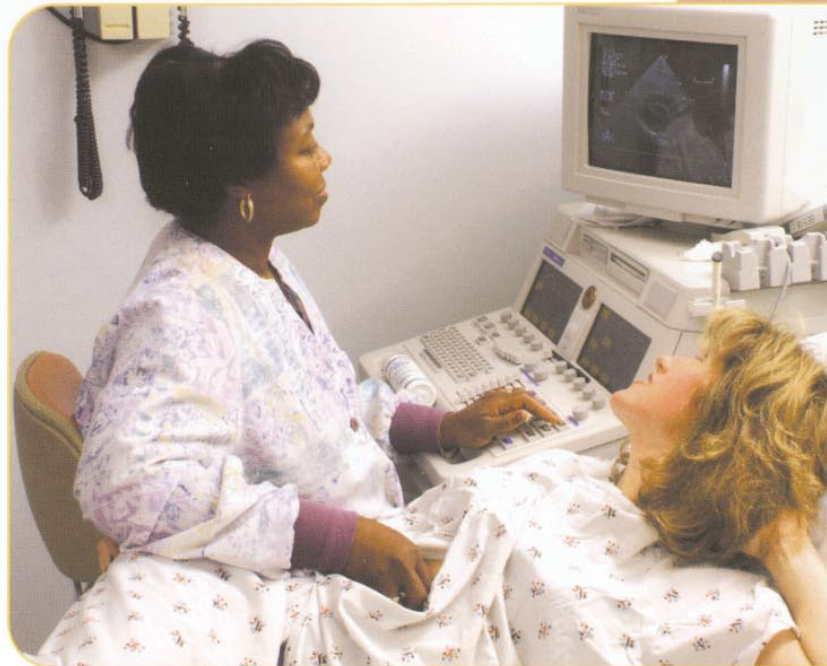

LUHS offers comprehensive training, opportunities for professional development, competitive salaries, and a nurturing health care environment where we also treat the human spirit.

If you have an interest in joining our team of individuals committed to excellence in patient care, you are invited to forward your resumé or contact me directly.

Respectfully,

Gary Soltys

Human Resources Manager
