

OUR

Phlebotomists

ARE A SHARP GROUP

Great Careers Reached From All Major Arteries

Loyola University Health System, located in the western suburbs of Chicago, is a nationally recognized leader in providing specialty and primary health care services to its patients. Our 70-acre campus is home to a 536-bed teaching hospital, a Level 1 Trauma Center, a Transplant Center, a Burn Center, the Cardinal Bernardin Cancer Center, the Stritch School of Medicine, and the Ronald McDonald® Children's Hospital.

Full-Time Phlebotomist Opportunities

As a Phlebotomist on our staff, you'll work with our outpatient, inpatient and satellite facilities, utilizing your 1+ years of active phlebotomy experience. Requirements also include ASCP or equivalent accreditation. PC/computer literacy and demonstrated typing skills are a major plus.

We offer competitive salaries, comprehensive training, opportunities for professional development, and a comprehensive benefits package that includes tuition assistance for you and your family at Loyola University Chicago. If you have an interest in joining our team of individuals committed to excellence in an atmosphere where *we also treat the human spirit*, you are invited to forward your resumé or contact me directly.

Sincerely,

Carolyn Nelson, Human Resources Manager
